

A touch of genius.

## Introducing the New HP TouchSmart PC.

From the elegant design to the advanced features to the incredibly powerful suite of built-for-touch applications, the HP TouchSmart PC redefines what touch can do for you—and what you can do with a touch.

Windows®. Life without Walls™.  
HP recommends Windows 7.

### Your world at your fingertips

Use your fingers to immerse yourself into your work and play. With natural, intuitive movements everything you can do will be faster, easier, and way more fun.

- Zip around your PC with multi-touch gestures such as pinch, rotate, arc, flick, and press and drag.
- Includes many built-in touch-optimized applications, including new Windows 7.<sup>(1)</sup>
- Customize your touch interface as easily as you customize your desktop.

### Amazing Apps, incredibly easy

Built-in HP TouchSmart apps<sup>(32)</sup> let you experience your music, photos, and video in a whole new way. Touchable calendar and browser help you stay organized. You can also play games, video chat, and more.<sup>(10)(32)</sup> Using Canvas to create a gallery of the stuff you use most. Use magnets on your own free-form canvas to post lists, favorite photos, and even share playlists and videos. Quickly filter content on the canvas with the Magic Menu and instead of reaching for a pen and paper—tap the screen and jot down ideas using Graffiti or Notes. Launch your favorite apps instantly from HP TouchSmart home.<sup>(32)</sup> The HP TouchSmart lets you use the computer how you want.

- Featuring NEW Apps like Facebook that allow you to quickly share photos on your canvas or upload right to Facebook for all your friends to see.
- Launch your favorite apps instantly from HP TouchSmart home.<sup>(32)</sup>
- Experience some of the best of the web—Twitter —HP TouchSmart style.<sup>(10)(32)</sup>
- Watch, pause, rewind, and record live TV with TouchSmart Live TV.<sup>(17)(32)</sup>

### The next generation of amazing

Building on a heritage of industry firsts, the third-generation HP TouchSmart PC combines the latest hardware and software in one elegant product.

- Recipe dictation and voice commands enables you to create dishes from your favorite recipes step-by-step, enabling truly hands-free operation.
- Create collages to save and share with a simple touch and even use voice control to zoom, rotate, and invert photos.

### All-in-one for all

A slim, power-saving design with a small footprint comes with everything you need built-in.

- Get the big picture with a 16:9 hi-def widescreen.
- Integrated premium stereo speakers produce clear, crisp sound.
- Watch Hollywood DVD movies, or edit home video and burn your own.<sup>(28)</sup>
- Video chat with friends and family using the built-in adjustable-tilt webcam and microphone.<sup>(10)(32)</sup>
- Simple set up: just plug in one power cord to get started.
- Low profile wireless keyboard conveniently stows away when not in use.
- Built in wireless capabilities include a wireless keyboard/mouse and integrated WLAN.<sup>(10)</sup>

### HP Total Care

Every HP TouchSmart PC comes with special HP Total Care to make sure your HP TouchSmart experience is hassle-free.

- 24/7 service and support for the first year via our call center.
- Toll-free telephone support at 1.866.408.5408 in English and French in Canada.
- Real-time online chat for answers to your immediate questions.
- The desktop icon of HP Support Assistant offers quick access to automated maintenance, preinstalled content, diagnostic tools, and multiple assistance options.

### ecoHIGHLIGHTS

HP TouchSmart 300-1360 PC

HP is committed to delivering energy efficient products and services. HP reduces resource use and waste in the design, manufacture, packaging and transportation of our products.

- All HP TouchSmart 300 PCs are ENERGY STAR® qualified (including the latest 5.0 specifications)
- HP TouchSmart 300 packaging is 100% recyclable and contains a minimum of 75% recycled material.<sup>(31)</sup>

<sup>(31)</sup> 100% recyclable in USA; recyclability may vary in other locations due to availability of recycling programs.

## VISIT [WWW.HP.CA](http://www.hp.ca) FOR MORE DETAILS!

<sup>(1)</sup> Microsoft® and Windows® are registered trademarks of Microsoft Corporation. This system may require upgraded and/or separately purchased hardware and/or a DVD drive to install the Windows 7 software and take full advantage of Windows 7 functionality. See <http://www.microsoft.com/windows/windows-7/> for details.

<sup>(2)</sup> Processor speed 2.80GHz, 2MB L2 cache, 4000MHz System Bus. <sup>(3)</sup> Up to 256MB of main system memory may be allocated to support video graphics. <sup>(4)</sup> For hard drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 14GB of storage space is reserved for the system recovery software. <sup>(5)</sup> Actual speeds may vary. Does not permit copying of commercially available DVD movies or other copyright-protected materials. Intended only for creation and storage of original material and other lawful uses. Double Layer is a new technology. Double Layer media compatibility will widely vary with some home DVD players and DVD-ROM drives. LightScribe creates a grayscale image similar to black and white photography. LightScribe media required and sold separately. Note that DVD-RAM cannot read or write to 2.6GB Single Sided/5.2 GB Double Sided – Version 1.0 media. <sup>(6)</sup> Internet access required and sold separately. <sup>(11)</sup> Internet access required. First 60 days included; subscription required for live updates afterwards. <sup>(13)</sup> Intended for your original content and other lawful uses. Do not copy copyright-protected materials. <sup>(14)</sup> Includes reduced functionality versions of Word and Excel. Purchase of Product Key required to activate full Office 2010 suite available at participating resellers/retailers and [www.office.com](http://www.office.com). <sup>(16)</sup> Part of the total system memory (RAM) is used for graphics/video performance. System memory dedicated to graphics/video performance is not available for other use by other programs.<sup>(17)</sup> ATSC high-definition (HD) and NTSC source content varies and will depend on broadcast signal, antenna, geographic location and other factors. An external over-the-air antenna that receives UHF and VHF signals is required for ATSC reception. Viewing HD content will require a compatible high-definition display. Ability to record, edit, or transfer broadcast content such as TV programming may be limited depending on the type of content. Performance issues may arise, and do not constitute defects in the product. For optimal results, HP recommends closing all other applications while recording and watching television programs. <sup>(19)</sup> Wireless access point and Internet service sold separately. The specifications for the 802.11n WLAN are draft specifications and are not final. This may affect the ability of the PC to communicate with other 802.11n WLAN devices. <sup>(25)</sup> Availability of applications on Touchsmart PC will vary by country. <sup>(28)</sup> According to estimates made using EPA statistics comparing PCs with and without power management. <sup>(31)</sup> 100% recyclable in USA; recyclability may vary in other locations due to availability of recycling programs. <sup>(32)</sup> Check for availability of services in your region. <sup>(33)</sup> High-definition content required to view HD images. <sup>(35)</sup> Internet access required and sold separately. Roxio CinemaNow™ movie rental and purchase charges apply.
